DR. MACQUARRIE TO ATTEND ASE COUNCIL MEETING THIS AFTERNOON

The student body is invited to attend the student council meeting today at which Dr. T.W. MacQuarrie, Mr. E.S. Thompson and Dr. P. Victor Peterson have also been invited.

At the meeting members of the administration will sit with the students to discuss matters of concern to the students and the college. This meeting has been arranged in accordance with suggestions raised at Gripe Dinner.

A proposed professional publicity bureau for the college; recognition of political organizations on the campus; and construction and widening of sidewalks will be some of the issues discussed.

"BLITHE SPIRIT" TO PLAY SOON

"Blithe Spirit," the improbable farce by Noel Coward, will be presented in the Little Theater June 6, 7, and 8 at 8:30 p.m.

Recently released for amateur production, the play has been successfully produced in various colleges nearby.

Mr. James Butler of the Speech and Drama department will direct the play, for which there are seven characters.

Three main roles will be enacted by John Calderwood, Barbara Cornwell, and Elda Beth Payne.

STATE ACCREDITED BY NAVY FOR AVIATION TRAINING COURSE

The United States Navy has accredited San Jose State college and the University of Santa Clara for formal education of potential Naval aviators, according to the Twelfth Naval District.

A new Navy program will select 2000 men to be trained in aviation, and guarantees them two years of college and a commission as ensign on completion of the course.

The men may attend the college of their choice, among the accredited colleges listed, for their two years as a civilian student before beginning aviation training.

SPARDI GRAS MAY BE OPENED WITH DROPPING OF FLAG

Pending written approval from the CAA and the Chief of Police, plans to drop a flag attached to a six foot parachute are at a standstill.

To open Spardi Gras officially, Hal Nichol, president of Mu Delta Pi, has contracted a plane and made all necessary arrangements which will go into effect if and when the "okay" comes through.

It is planned that the flag will be dropped at exactly 12:25 p.m. over the Quad. Accompanying Pilot Nichol will be Milton Munro, chief bombardier.

POLLS OPEN TODAY FOR FIRST QUEEN VOTES: SPARDI GRAS FOUR DAYS AWAY

The sign in the Coop says, "Four days till Spardi Gras." But the message on the voting booths reads, TODAY.

Preliminary queen elections will be held from 9 to 4 in front of the Morris Dailey auditorium.

In the past few elections, only a small fraction of the Student Body has exerted enough energy to go to the polls and place the numbers beside the names on the preferential ballot.

But this is your Spardi Gras. This is your queen contest. Get in there and vote today. Display some enthusiastic Spardi Gras spirit and keep up the tradition of the annual spring carnival.

The three top names in today's count will be voted upon Thursday to determine which of the nine candidates will reign over Spardi Gras for 1946.

Names that will appear on the ballot today are: Bonnie Lingenfelter, June Robertson, Carole Johnson, Ruth Jensky, Barbara Jensen, Louise Ramos, Donna Chaboya, Petey Jones, and Esther Haggling.

Dr. Kemp was president from 1920 to 1923, when he resigned to accept a position as head of education for the University of California.

During his administration here the Normal School was given collegiate standing, becoming known as San Jose State Teachers College. In 1935 the "Teachers" was dropped.

The Industrial Arts and Home Economics buildings were built while he was here.

Dr. Kemp held Phi Delta Kappa honors and was at one time a member of the Board of Education of Berkeley.

-SPORTS-

GOLFERS WIN OVER SALINAS

McPherson and Co., Spartan golfers inc., made it eight wins against two losses for the season Thursday as they walloped Salinas J.C. 20 to 7 on the Hillview course.

Led by long-hitting Eli Bariteau, Northern California junior champion, the Spartans had little trouble with the Panthers in ringing up their eighth victory of the year.

Although no exceptionally low scores were turned by the Spartans Thursday, Bariteau shooting 78 and Elmer Anderson 79, they showed flashes of brilliant golf in their easy win.

This was the semi-wind up for the locals who will end their season next Saturday against the Panthers on the latter's home course.

ATTENTION, PUBLICISTS!!!

All Campaign managers for Spardi Gras Queens stand by tonight. Results of the elections will be telephoned to the three winners and their managers will draw straws for the remaining rallies.

"This will be done in order to make the allotment of the preferred rallies absolutely fair," announces George Milias.

KAPPA MEMBER ANNOUNCES ENGAGEMENT

Started on an exciting treasure hunt by a mysterious phone call, Kappa Kappa Sigma members tracked down the traditional box of candy announcing the engagement of Betty Muldoon to Harry Keeley.

Betty is a senior education major from Sacramento. Harry, recently discharged from the armed forces, is also from Sacramento.

No definite date has been set for the wedding.

ARE YOU GUILTY?

It's called the Lost and Found. Surely you must have heard of it? It's located in the Information office.

The people in the Lost and Found try to get along. When an article is turned in, if it is marked with the owner's name, a card is sent to him.

Well, you say, that's pretty swell--but wait, these articles gather dust in the office. The owners don't bother to come in for just one minute, and retrieve something that belongs to them.

Here are just a few names of people who have not picked up what belongs to them: Lawrence Bewley, notebook; James Payne, notebook; Jim Waterman, notebook; Jacqueline Wise, notebook; Happy Savy, book; Phyllis Blake, book; Marge Bergen, book; Alice Joy Golder, book.

When people go to some trouble for us, the least we can do is show them we appreciate their efforts.

If you are one of those who have received a notice that something you've lost has been found, do your part by picking it up in the Information office. Don't wait, do it today.

ORGANIZATIONS GIVE
TO HEIFER DRIVE

Organizations began coming through with support for the Heifer Relief Project on the last day of the scheduled one week drive.

Contributing groups so far reported include Ero Sophian, Cosmopolitan club, Social Service club, Alpha Phi Omega, Kappa Kappa Sigma and Delta Beta Sigma.

Unofficially the total receipts stood Friday afternoon at about \$75, which is sufficient to pay for about one half a heifer.

In contrast to the relative failure of the monetary drive, however, a total of 35 men have signed up with the drive for possible service as "seagoing cowboys" on the cattle ships this summer.

These men are asked to watch for an announcement concerning a meeting to discuss details of the plan.

Individuals or organizations may make further contributions in the SCA office or the Business office.

BEAN FEED PERFORMERS: Carmendale Fernandes asks that performers for the bean feed program meet in the Publications office today at 12:30 for pictures.

Rehearsals will be Tuesday and Thursday nights at 7 o'clock in the Morris Dailey auditorium.
